ANNUAL PUBLICATION OF M. I. GONA JINOR SENIOR HIGH SCHOOL

# The

OLIVIA RANEY LIBRARY 4016 Carya Drive Raleigh, NC 27610

## FOREWORD

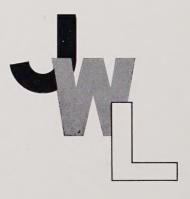

The 1961 Echo Staff acknowledges that school publications are a major vehicle for conveying a school's personality and that the high standards established in previous years by the competent staffs make the job of a new staff a challenging event. It is a challenge, of course, to make this year's book not merely "better than ever" in a general sense but specifically better than the last.

With this in mind, we asked ourselves this question:

What has distinguished this past year from all the other years of our lives? We concluded that there is no formal, precise answer that will communicate the richness of this year in experience. We must review the year in its complexity to arrive at a partial answer. We give you the 1961 Echo.

JOHN WILLIAM LIGON A.B., M.A., D.D. 1869 - 1925

The late John William Ligon, of Raleigh, was a teacher, minister, business man and counselor. He was Principal of Garfield School from 1900 to 1919. Prior to that time he was substitute Principal of the Washington School. He was a dynamic teacher and good disciplinarian, and held the respect of teachers, parents and pupils. After leaving the school he became Managing Editor of **The Union Reformer**, an organ of the State Baptist Convention, which grew tremendously in circulation and assets.

John W. Ligon was ordained to the ministry in 1902, and served as Pastor of the Tupper Memorial Baptist Church where his popularity and success was of such that he was chosen Moderator of the Wake Baptist Association which at the time had a membership of over 7,000. Under his dynamic leadership the receipts of the association increased over 300 per cent.

John W. Ligon was an influential Citizen and his counsel was sought by men and women throughout the State. He always stood for the right and never winked at a crooked deal. He was straight forward and a Christian gentleman.

# Class History

In the year nineteen hundred and fifty-seven when Russia launched its first space rocket Sputnik, in Raleigh, North Carolina, at J. W. Ligon Junior-Senior High School a group of 234 eager, ambitious and enthusiastic freshmen were just beginning their long academic journey toward higher education.

Realizing that we lived in a fast moving world, we wasted no time in getting started on our journey with H. E. Brown the new principal, and our advisors Mesdames R. B. Williams, M. R. Cook, I. W. Washington, Miss M. E. Ligon, P. H. Williams and G. F. Newell. Quickly we became organized and chose William Crocket our student leader.

Several members of the class were interested in extra curricular activities. Wiley Latham, William Crockett, Robert Jones, and Thomas Bennet became active participants in the Little Blues athletic activities; Carolyn Mack was a stalwart on the cheering squad; Paulette Poe also brought honor to our class when she was crowned Miss Ligon Junior High at the annual coronation ball.

Now that the first orbit on our journey was completed we advanced to the position of Sophomores. Our class membership increased from 234 to 263 because of the number of students who joined us from Washington Junior High School. For this round our advisors were Mesdames E. L. Clark, M. W. Blakely, E. M. M. Kelly, W. W. Bishop, M. B. Jones and R. E. Stewart and M. C. Hill.

As sophomores, more of our time was devoted to study. Nevertheless, a few of our class-mates continued to take active parts in the extra curricular activities. James Stewart, James Snow, Wade McClain, Staley Keith, Dwight Morgan, Louis Powell, Benjamin Neal, Melvin Robinson and Bennie Mims made outstanding contributions as athletes on the football and basketball teams. Janet Upchurch, Paulette Poe, and Mary Sue McClain became majorettes. The end of this brought the realization of our importance and rising juniors.

Ш

Now that our second orbit was completed we advanced to the position of Juniors. Serving as advisors on this part of our journey were Mesdames S. V. Perry, V. K. Newell, Misses M. C. Bullock, M. B. Bugg, and C. C. Lipscomb and H. Cunningham.

Our student leaders were Virginia Carr, President; Joe Gibbs, Vice President; Virginia Stanly, Secretary; Janet Upchurch, Assistant Secretary; Jessie Hinton, Treasurer; Barbara Sullivan, Reporter; and Kenneth Satterfield, Parliamentarian.

This year twelve of our classmates, who were discovered to possess qualities of character, leadership and service, in addition to scholarship, were granted permission to affiliate with the National Honor Society: Barbara Lightner, Wallace Peace, Barbara Shaw, Brenda Dawson, Aingred Dunston, Adelaide Cobb, Wiley Latham, Joe Gibbs, Emily Barnes, Barbara Harp, Lloydine Perry and Mary Ray.

Barbara Lightner was elected 1st Vice President of the State Student Council. This office afforded her a trip to the state of Wisconsin representing the State Student Council.

Joe Gibbs was appointed by the governor to attend the 1960 White House Conference on Children and Youth. Barbara Lightner was appointed to attend this conference also by the Ligon P. T. A.

Wallace Peace, Gilbert Allen and Aingred Dunston were exchange students at West Charlotte High School in Charlotte, North Carolina.

William Crockett and James Stewart both participated in the NC A. A. U. at State College in Raleigh, National fame was brought to Ligon for at this track meet Stewart tied for first place

# Class History

with another competitor in the 100 yard dash. In the 200 yard dash Stewart placed second while Crockett placed fourth.

Carl Hall represented his class unusually well in the area of dramatics and won the **Best Supporting Actor** title in the District Drama Festival at the Booker T. Washington High School of Rocky Mount. Other outstanding thespians included Otis Rogers, Bennie Mims, Brenda Dawson and Gloria Williams. The group's presentation of "The Girl in the Rain" was acclaimed a superb performance.

Highlight of the social activities of this year was the annual Junior-Senior Prom honoring the seniors. Our theme was "An Evening in Hawaii", and a lovely affair it was.

IV

At last we are at the zenith of our long academic journey. Seniors at last! On this round our advisors were Mesdames G. H. Harris, R. B. Williams, E. D. Toole, and H. A. Williams and R. E. Stewart. We elected Joe Gibbs, President; Aingred Dunston, Vice President; Brenda Dawson, Secretary; Janet Upchurch, Assistant Secretary; Virginia Carr, Treasurer; Sarah Smith, Reporter; and Carl Hall, Parliamentarian.

This year Anna Forbes, Helen Kearney, Neltine Peebles, Virginia Carr, Attie Dolby, Doris Williams, Annie Wilson, and Sarah Smith qualified for membership in the National Honor Society while Barbara Lightner, Aingred Dunston, Barbara Harp, Wiley Latham, Wallace Peace, Lloydine Perry, Helen Kearney, gained membership in Mu Alpha Theta, a national mathematics club.

Because of his competent leadership, Wallace Peace was elected president of the Student Council, President of the National Honor Society, and editor of the **Tattler**.

In art Wade McClain, Mattie Davis, and Adrian McCullom won gold keys for their outstanding creative works.

In athletics William Crockett and Staley Keith, James Snow and William Crockett, Wiley Latham and Thomas Bennett became co-captains of the football, basketball and baseball teams respectively. William Crockett and James Stewart participated in the East-West all Star Shrine Bowl Football Game. Our basketball team won the Eastern Division Championship to add another trophy in the Ligon display Case.

Our senior class play, "Aunt Tillie Goes to Town," was a tremendous success. The characters were Aretha Giles, Aingred Dunston, Neltine Peebles, Benjamin Neal, William Crockett, Anna Forbes, Shirley Smith, Paulette Poe, Thomas Marshall, Roderick Taylor, and Emily Barnes.

This year Carl Hall, Gilbert Allen, James Johnson, Ervin Riddick, Effie Bailey, Gloria Williams, Bennie Gill, Bennie Mims, Virginia Stanley, and Delores Edwards were outstanding members of the dramatics club and were praised for their characterizations.

Lloydine Perry, class Valedictorian, brought honor to the Class of '61 through her scholar-ship and music ability. She studied music for 4 years under Mrs. E. M. M. Kelly, during which time she appeared in recitals, played for assembly programs on both the piano and organ, and assisted in the training of several vocal groups. She was one of the piano accompanists for the Messiah in her senior year and in May of 1961 gave her formal organ recital.

Sarah Kate Smith attained the rank of salutatorian in this class of more than 150 graduates.

Although we have completed the orbit as originally planned, this phase in our journey is only a minute part of life's total training program. There is much that remains to be done. We now look back with fond memories over our journey through Ligon. We shall face the future with renewed zest because of our fruitful past.

## Concert and Marching Band

The Band, a segment of the Music Department, purposes to promote an appreciation for and an experience in playing instrumental music. The main objective is to promote good sound musicianship and performance on the various instruments. The Band provides entertainment during sports events and participates in many parades and represents the school at the District and State Festivals. The Band appears in concert frequently as well as provides smaller ensembles for various occasions and events.

The Council promotes the general welfare of all the students. The organization is not a means by which students unite in opposition to the administration and staff, but a means through which students, teachers and administration cooperate in working for the best interest of the school.

The Council sponsors the following activities yearly:

- 1. Orientation of New Students 5. Awards Day
- 2. Teacher Appreciation Day
- 3. Youth Day
- 4. Sportsmanship Promotion
- 6. Stunt Night
- 7. Leadership Workshop

The Library Club is an integral part of the total school-library program. It is an organization designed to correlate materials of the library with the subject matter of all classes. The members, in addition to the many services performed in the library such as reviewing books of fiction and non-fiction, reviewing new books for prospective purchase, perform the invaluable service of suggesting books and related materials that will enrich various courses in the school curriculum. The opportunity to render such service broadens their personal experiences and develops their personal abilities and skills. This organization regards every service with importance and necessity for the total effectiveness of a school-library program.

HOME ECONOMICS

Sarah Morgan reports: that cooking success begins with proper equipment and utensils—that, it is unnecessary to purchase a piece of equipment for every purpose—that equipment or utensils which serve several purposes are most practical, i.e., a flameproof skillet with removable handle can double as a baking pan or casserole; a double broiler can serve as two saucepans.

### The Principal's Message

Fellow Students:

For those of you who are leaving by way of graduation, we say "Good Luck to you." This thought comes from all of us who have been your associates for these past few years. We will miss you and your many contributions to our school life.

A few days ago, I read a short book titled, HOW TO CLIMB HIGH-GO FAR-AND ENJOY THE GOING. This title more than likely will stir your imagination at this time. So I'm taking this opportunity to give you the five or six rules which I thought worthy of digesting.

- (1) Get used to hard work.
- (2) Set your own pace.(3) Be realistic in your goals.
- (4) Guard against a false sense of failure.(5) Remember that happiness won't come automatically.

You will note that these rules don't seem as glamorous as the title, but maybe "things are not always as they seem." So, if there be any merit in these rules, we hope that you will think on them. It could be that they will help you Go Far and Enjoy the Going.

May you be a blessing to all whom you contact.

# Epilogue

The Staff has endeavored to review this year in its complexity in search for a formal, precise statement that would communicate the richness of this year in experience, to you the reader. In this we have failed, but the cherished memories of this wonderful year we hope are indelibly stamped upon your mind.

The 1961 Staff has enjoyed the many tedious hours of planning, photographing, etc., in the preparation of this your Eighth publication of the Ligon Echo.

Thanks to you, The Staff
